From the Principal

It is hard to believe it is the end of term already. What a productive term we have had with lots of exciting learning taking place. Today was Footy Colours Day held by our SRC, they have done an amazing job of providing a fun day of a variety of activities for students. The P & F have helped out by cooking 'footy savs' for lunch and we thank them for helping our SRC.

Thank you to those who filled out the survey regarding our school concert. We had over 100 families return a slip, and the result was almost 50/50! As a result, the decision has been made to hold a concert this year, and then every second year from then on. This means next year we will be doing something different as our whole school community connector activity.

We will have some staffing changes in the office next term. Mrs Helen Triffitt will be joining us in the School Business Manager position. Mrs Walker will be joining the staff at Early Childhood Intervention Centre as well as working with us here still on Thursday and Friday. I wish you all a safe and happy holidays!

 Principal
